President's Message

Greetings Fellow Homebrewers!

It's April, and it is only a few weeks away from the return of the SoCal Homebrew Fest. April will also feature a presentation on Hazy IPA's from Ben Wilson, which was originally scheduled for March. Time permitting, we will have an open discussion about brewing with adjuncts as well. In March, we held our annual elections. Now that the voting has concluded and the appointed positions have been filled, this is your 2022 Board:

President: **Jon Silvertooth**
Past-President: **Ray Grace**
Vice President: **Sean McCabe**
Secretary: **George Eldridge**
Treasurer: **Tom Parker**
Webmaster/Social: **Tom Fontes**
Event Coordinator: **Michelle Buck**
At Large Member: **Rion DuVall**
At Large Member: **Brenda Silvertooth**
At Large Member: **Ben Wilson**
At Large Member: **Rene' Miller**

The Southern California Homebrew Festival is back on for 2022 and we'll need to prepare to pour as a club. The trailer is cleaned and prepped and the jockey boxes are ready to go. Now we just need some beer to serve. To that end, I have send out links to a couple of Google Sheets to sign up kegs to bring as well as to volunteer to pour at the booth for an hour.

The CHA hosted a club representative meeting this weekend, and here are the reminders and major takeaways I'd like to share with everyone:

- This event is 100% happening. The ABC licensing is purchased and in place, and everything is full-steam ahead.
- No onsite tickets can or will be sold. If you plan to attend the fest, please go to the CHA site and purchase your ticket.
- To get into the Fest, you MUST have a valid and current ID (driver's license, passport, military id, state id, etc...).
- Registration will close no later than April 28, so get your tickets now if you haven't yet!

If you ordered a t-shirt, they are ready to pick up. Tom will have them at the April meeting. Grab yours at the meeting if you can so you can wash it and have it to wear at the festival. If not, we'll bring the remainder to the Fest for you to pick up there.

Here is the meeting schedule for 2022:
